

DeNami 2010 Design Team

Application Instructions

We will need the following in order to consider your application.

- Full contact information (Name, Address, Phone Number, Email Address)
- E-mail at least 5 cards/projects (these can be previously published items). We want to see your best work and your stamping style! Use of DeNami Design rubber stamps is not required for this stage but is suggested you do so if possible.
- Links of your blog, online galleries, or other places where your work can be seen.
- A short resume of your paper crafting experience, including any current or prior design teams. You do not need any previous experience to apply.
- A photograph and short bio about yourself; include what types of stamping projects you create the most. Also tell us why you'd like to join our team and what you like about our rubber stamp designs.
- How long you've known about DeNami Design and any experience you have with our line.

This call is limited to US residents only. You must have a blog to apply. Sales representatives of any other stamp or stamp-related company are not eligible.

Please note that your ability to comply with these instructions will be judged as part of your application. To apply, email images of 5 projects that illustrate your particular talents and skills. Image files must be 300 dpi and no more than 600x800 px each.

Email applications to office@denamidesign.com with "DeNami 2010 Design Team Application" as the subject.

This is an open call for designers and there is no deadline to submit your application. Applications will be reviewed and applicants will be notified when a decision is made and if any further steps are necessary.
